Hello, Little Artists!

We're going to create something very special—a Portrait of Self! That means we're going to make a picture that shows the world who you are.

1. **Close your eyes and think about YOU!** What makes you special?

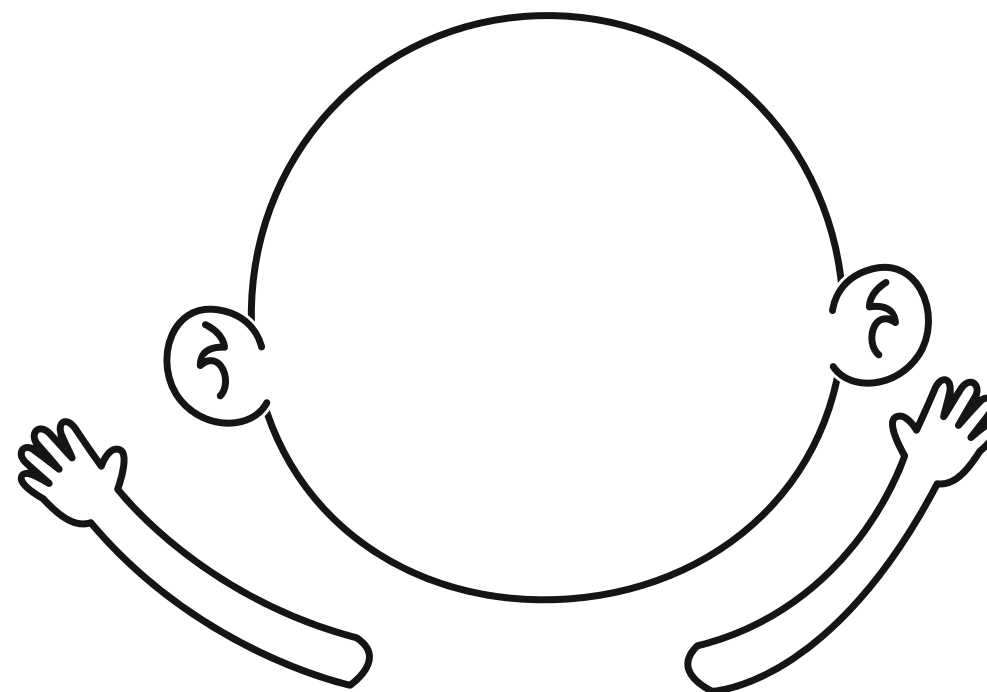

- What is your favorite thing to do?
- What is your favorite color?
- What makes you happy?
- Who are your best friends or favorite people?

2. Draw your portrait and add details that show what you love and things that make you happy.

3. Share your portrait with your family and friends, and tell them all about the special things you included!

Great job, Little Artist!
